INDEX

NAME: Yudeeswaran V   DID. AINL   REG C   ROLL NO. 182   SUB Time Series Forecasting Observation

S. No.	Date	Title	Page / Marks	Teacher's Sign / Remarks
1	5/2/25	Time series data cleaning, loading and preprocessing	(10)	9
2	5/2/25	Visualizing time series data	(10)	9
3	6/2/25	Implement a program to check stationarity	(10)	9
5	5/3/25	Develop a linear regression model for time series data	(9)	9
6	5/3/25	Implement program to apply moving average for smoothing data	(9)	9
7	5/3/25	Program for decomposing time series data	(9)	9
4	26/3/25	estimate and eliminate trend in time series data	(10)	9
8	26/3/25	Arima model and sarima model for time series	(10)	9
9	9/4/25	Neural Network based time series forecasting model.	10	St
10	9/4/25	Auto regression model for multivariate time series data forecasting.	10	St
			Completed	St
